Jackson Demolition Wins Prestigious Southern Company Triangle Safety Award

Schenectady, NY – December 16, 2024 – Jackson Demolition, a leading demolition firm, is honored to announce its receipt of the esteemed Southern Company Triangle Safety Award. This recognition underscores the company’s unwavering commitment to safety excellence in all aspects of its operations.

The Southern Company Triangle Safety Award is a coveted accolade in the construction and energy industries, recognizing organizations that demonstrate exemplary safety performance, innovation, and leadership. Recipients are evaluated on their ability to maintain rigorous safety standards while executing complex and often high-risk projects.

“This award is a testament to our team’s dedication to fostering a culture where safety is not just a priority but a core value,” said Alexander (Sandy) Jackson, President of Jackson Demolition. “In an industry as dynamic and demanding as ours, ensuring the safety of our team, clients, and communities remains at the forefront of everything we do.”

Jackson Demolition’s win comes in the wake of its continued success and reputation for executing challenging projects with precision and care. In 2023, the company also received the National Demolition Association's Excellence in Demolition Project award, further cementing its position as a leader in the industry.

As a minority-owned business, Jackson Demolition takes pride in not only delivering exceptional results but also in setting a benchmark for safety and innovation. The company’s safety-first approach integrates cutting-edge technology, comprehensive training programs, and a commitment to continuous improvement.

“Our partnership with Southern Company and our alignment with their safety ethos have been instrumental in achieving this milestone,” added Jackson. “This award inspires us to push the boundaries of safety and operational excellence even further.”

Jackson Demolition extends its gratitude to its employees, partners, and clients for their trust and collaboration in achieving this significant recognition.
